

Tyler County 4-H News

If you do not hope, you will not find what is beyond your hopes. - St. Clement of Alexandra

August Highlights

Tyler County 4-H was represented at the state level once again by Colmesneil 4-H Club member, Kaci Vaughn. Kaci completed a recordbook in the Senior level Food and Nutrition category, her recordbook placed first at the county level back in June. In July, her recordbook was judged at the district contest and once again, was awarded first in her category for the 22 counties in our district. From there, Kaci's recordbook went on to the state competition where it competed with recordbooks from the 12 districts (254 counties!) across the state. A recordbook is one of the most difficult tasks that a 4-Her can undertake, but Kaci Vaughn took on this challenge and placed 6th in the state! Way to go Kaci!

On August 18th, representatives from almost all of Tyler Counties' 4-H clubs were present for the Annual Banquet. This year, our Council worked hard to put together a great presentation with the theme "Wild about 4-H!" There was a "wild" photo booth and many different project areas were displayed. Thanks to the Council for their dedication and thanks to those of you who attended! If you get the chance, be sure and thank Farm Bureau and East Texas Home Health for providing the food and drinks! Also, special thanks should go to our guest, State Representative James White, for recognizing our 4-H members who have represented Tyler County in statewide competitions. For those who did not make it, please make plans to come next year so that you can get your well-deserved awards!
